

VALLEY BEAT

POLICE UPDATE APRIL 2017

Crime Figures:-

Coleorton

03/04/17 - Theft of memorial stone – Filed

11/04/17- Burglary dwelling (car keys stolen) – Under investigation

Emerging trends / Incidents of note:-

During late March there were a number of burglaries of garages and sheds across the Valley beat area. The beat team are aware and actively monitoring the situation.

Crime Prevention Advice

In light of the above we would remind everyone to consider the security of their outbuildings – are suitable locks in use? Why not contact the beat team if you are unsure, we would be happy to come around and arrange for crime prevention advice for you and your neighbours.

Good news

As you may be aware we have PCSO 6615 Jonathan Smith working with us on the beat over the next couple of months. He will be based across the Valley beat area.

Leicestershire Police are working alongside other agencies to develop civil contingency plans for local communities. John Brown is the Resilience Officer and is going to parish councils & local community groups to seek their co-operation to put together a local plan in preparation for events such as floods. If you would like support with creating Community Response Plans please contact John.Brown@leics.gov.uk.

We'd like to meet you

We hold regular beat surgeries and engagement events.
