CRIME TREND:-

Garden Crime

Many people take a great deal of trouble securing their house and the property within it...but what about sheds and garages? With the array of lawnmowers, power tools, garden equipment, bicycles, sports and other valuable equipment kept in them, security measures should certainly be put in place.

Property

Gardening tools and garden furniture are not cheap - what's more they are very saleable items for the thief. Don't make it easy for them to be stolen and remember that tools stolen from your shed could be used to burgle your house.

Postcode or property mark anything in your shed or garage that is value and might be stolen, for example, lawnmowers, garden furniture, bicycles, sports equipment.

Take photographs of expensive items - they may be useful to police to identify the goods and return them to you, should you be unfortunate enough to have them stolen.

Never leave garden tools and equipment outside, even if you are just popping back into the house. It only takes minutes for an opportunist thief to take them.

We urge residents to report ALL crimes, no matter how insignificant they may seem, as they may be related or linked to suspects already known.

Simply call the police on 101 or use 0800 555 111 to call 'CRIMESTOPPERS' to pass on information about crime anonymously.
