Meeting Location:

Simon Haggart reported back on his contact with local pubs and the general reaction at the meeting, concluded that future meetings would be confined to 'The Angel' and 'The Kings Arms'. Although we would keep other pubs in the area informed of our activities if the committee felt it necessary.

Questionnaire:

A general discussion took place on the value of progressing with the local Questionnaire when the new core questionnaire had not been completed. The general consensus was that to make progress we had to carry on with the local questionnaire and consider any duplication at a later date.

Considerable time was taken up with the 'stance' of the committee on the local questions we were to generate. Should we be neutral? or should we disclose our preferences especially on the housing situation. It was agreed that we should be neutral on all questions although on the affordable housing there will be more negatives than positives.

From the last minutes there was a date set for an exhibition on the housing project but no date was given for the open meeting to be held by Richard Windley. Jennie Beeby to be contacted to confirm the date.

To make progress on the local question, it was agreed that each member of the Committee would take on a question and start to expend it along the lines that Steve had taken with the housing. This would improve progress and form the basis for the next meeting.

Questions were allocated as follows:

Housing	S.C.
Transport	P.R.J.
Village Hall/Amenities	P.R.J./C.R.J.
Gas Provision	S.D.
Traffic Issues	K.A.
Lighting	C.R.J.
Post Office	T.H.H.

If the submissions could be forwarded to Terry Hastelow a week before the next meeting. He will endeavour to send out a completed set for each committee member, ready for discussion at the next meeting.

A general discussion then covered the possibility of more questions being added to the list. The main one being noise.

A.O.B.

There had not been any communication on points raised at the last meeting.

Next Meeting:

The next meeting will be held at 'The Kings Arms' at 19.30 on the 8th May 2007. This has been cleared by the owners.
