#### Analysis of Questionnaire Results

SC had prepared a presentation for the Parish Council to demonstrate the findings from the questionnaire results. It was agreed that a copy of the presentation would be sent to members of the Parish Plan Group with the minutes.

SC had also started the preparation of an Action Plan based on the results of the questionnaire. Although those present looked through the Action Plan, it was agreed that members of the group needed to consider actions that they thought should be included in the plan. The Action Plan needed to be based upon the results of the questionnaire. It was agreed that all comments should be returned to SC by 22<sup>nd</sup> January 2008. A copy of the draft Action Plan would therefore be sent out with the minutes.

#### Parish Plan

PR-J had started preparing the first draft of the Parish Plan. He requested that if any of the group could provide him with photographs of the Parish or any activity connected with the Parish, he would look to utilise them within the plan. If any group members had ideas for what they wanted to be included in the plan, they were requested to pass their ideas on to PR-J as soon as possible. KA agreed to speak with the local expert on footpaths.
