

Construction Update Report – 23rd March 2018

Discovery Way, Resolution Road Layby and Tesco Roundabout Improvements

TO DATE

Works are continuing for the construction of the new lane 1 and layby on Resolution Road approaching Pladis McVities site. To date we have excavated the new lane 1, diverted the utility services in the area and installed new drainage gullies. A new kerb line has been installed and the sub base of Type 1 stone has been applied in readiness for the laying of the new surface.

NEXT WEEK

Traffic management will be implemented on Discovery Way and the Nottingham Road (Tesco) Roundabout. Now that we are experiencing slightly warmer weather grass seed planting will take place in the area. The surfacing of Resolution Road will be carried out on Monday 26th and Tuesday 27th and the 3-way traffic light signals will remain in place.

We would like to take this opportunity once again to thank you for your co-operation and patience during our works and especially the latter stages of our project, where road closures are necessary. We appreciate the inconvenience involved for these necessary works and your help as always is greatly appreciated by the Eurovia Team here in Ashby.

Eurovia Public Liaison Officer Joanne Plews Tel: 07768 940 187. Email: joanne.plews@eurovia.co.uk
