

HS2 Phase 2b, Crewe to Manchester and West Midlands to Leeds

Public information events 2017

In July 2017, the Government confirmed the route for the next phase of HS2: Crewe to Manchester and West Midlands to Leeds (Phase 2b).

This leaflet provides details of a series of information events we are holding during September 2017. At the events, you will be able to find out how the design for the route will be developed and the environmental impacts assessed.

We'll also be able to explain the consultations we launched in July on:

- the proposed relocation of the Eastern Leg Rolling Stock Depot; and
- proposals for an enhanced Crewe hub station

Both these consultations will close on 12 October 2017

Two further consultations were launched at the same time, mainly for local authorities and other technical organisations. These are on the draft scope and methodology for the Phase 2b Environmental Impact Assessment (EIA) and the Equality Impact Assessment (EQIA).

These consultations will close on 29 September 2017

Further information on the Government's announcement and the consultations can be found online at www.gov.uk/hs2.

Please check the website (www.gov.uk/hs2) for any changes to event dates or venues.

We hope you will take the opportunity to come along but, if you are unable to attend any of the events, the information is available online at www.gov.uk/hs2

Should any of these events need to change due to unforeseen circumstances, we will endeavour to inform the local community and other interested parties as soon as possible.

Copies of this leaflet in large print, braille, easy read, or audio are available free on request.

Please also contact us if you require help or information in a different language.
