

Weekly Construction Update – Friday 14th July 2017

Ashby-de-la-Zouch, Junction 13 – A42/A511/A512 Roundabout Improvements

THIS WEEK

Ducting for the street lighting and traffic signals is ongoing around the site, concentrated on the A511/A512 on the southern side of the roundabout. New vehicle restraint barriers have been installed on the northbound exit slip of the A42. Works have commenced on the final resurfacing of the roundabout along with lining works. The long weekend closure, on the A42 northbound exit slip was successful and all works have been fully completed, with the construction of the new third lane approach to the roundabout. Works have commenced on the trimming of the embankments around the site in preparation for further installation of vehicle safety barriers. Installation of new ironworks has taken place in various areas around the site. Remaining kerbing works around the roundabout have been complete.

NEXT WEEK

Works will continue on the installation of ducting for the new street lighting and traffic signals in various locations around the roundabout. The installation of new lighting columns will commence around the roundabout. Resurfacing works will continue along with new road markings. Embankment trimming works will continue around the outside of the roundabout.

CLOSURE INFORMATION: A42 Junction 13 Flagstaff Roundabout

Continuing next week nighttime closure will be implemented on all roundabout approaches (excluding the A511), **from 8:00 pm to 6:00 am, Monday to Friday** inclusive, for approximately 2 further weeks. These closures are required to undertake final carriageway surfacing, road markings and loop cutting for traffic signal detection. The traffic along the A511 will be maintained under convoy and traffic lights and delays may be experienced. Please note that access in/out of Coalfield Way will be restricted, so all traffic will access/exit onto Nottingham Road via Smithy Way during the above hours.

We sincerely apologise for any inconvenience caused during these necessary works and your co-operation and patience is really appreciated.
