

Weekly Construction Update – Friday 21<sup>st</sup> July 2017

## Ashby-de-la-Zouch, Junction 13 – A42/A511/A512 Improvements

### THIS WEEK

Ducting for the street lighting and traffic signals is ongoing about the roundabout, this has been followed by the install of new traffic signal equipment, including; signal poles, cables and new signal heads. The trimming of the verges around the A511 and A512 has continued, please see the third photo below. The resurfacing of the roundabout has continued with the removal of the existing surface, the laying of new surfacing and the install of new road markings.

### NEXT WEEK

The install of new signals and street lighting will continue, with the erection of new lighting columns and signal poles. Resurfacing works will continue around the roundabout with associated road closures, see below for more information. New road markings, anti-skid surfacing, road studs and traffic signal loop cutting will continue/commence next week.

### ROAD CLOSURE INFORMATION

Continuing next week night time closures will be in place on all approaches to the roundabout (excluding the A511), from 8:00 pm to 6:00 am, Monday to Friday inclusive. The closures are required to facilitate the final carriageway surfacing. The traffic on the A511 will be maintained under convoy with traffic lights. Therefore, delays may be experienced.
